TOP 10 APPS EARLY CHILDHOOD

SCHOOL YEAR 2013-2014

PCSD online resources – TECHNOLOGY.PCSD.SCHOOLFUSION.US. TL4T Home Page – TL4T.WIKISPACES.COM.

ANOTHER MONSTER AT THE END OF THIS BOOK – \$3.99 (reading)

Grover tries to keep kids from getting closer to the end of the book. Elmo asks for kids' help to slip past Grover. Build vocabulary with engaging activities.

BREATHE, THINK, DO WITH SESAME – free (life skills)

Help a Sesame Street friend learn to deal with everyday challenges. Kids help the monster cope with problems by calming down, coming up with a plan, & trying the plan.

ENDLESS ALPHABET – \$6.99 (phonics)

Build students' vocabulary & help them learn their ABC's. Each word has a puzzle with talking letters & animations over the definition of the word.

ENDLESS NUMBERS – free (math)

Kids are introduced to counting & basic addition with the Endless monsters.

FINGERWORKS: AMAZING – free/\$1.99 (game)

This is a great visual app that requires simple touch to interact, & cause and effect. Effects that can be created are rocket, sparkle, power fingers, energy flow, atomic, & more.

INTRO TO MATH, BY MONTESSORIUM – \$4.99 (math)

Learn to read, write & understand numbers from zero to nine through a series of interactive, guided & challenging activities.

MOSAICHD – iPad – \$1.99 (game)

Boards with patterns in a grid style layout, & pins that are used to complete the board. It requires very simple motor skills, & also engages the mind & brain.

POCKET PLAYGROUND – PLAY WITH FRIENDS – free (game)

Kids play with friends at a playground & help them have fun. Teach kids about the emotions of others & how to treat their friends.

SAGO MINI BUG BUILDER – free (game)

Toddlers & preschoolers hatch, design, play, feed, & clean their own little bug.

SCRIBBLE MY STORY – iPad – free/\$2.99 (storytelling)

Preschoolers & early elementary students can become a little author, & illustrate their own stories. 6 stories included.
